

Wimpole (v.-c. 29) Saturday 15 February 2025

Grid Ref TL3350; Postcode SG8 0BW

We have often visited the Wimpole Estate, most recently Cobb's Wood and The Gloucesters on 10 February 2018. All our most recent excursions were led by Simon Damant, who has now left Wimpole. This time we have permission from David Hassall, Farm & Countryside Manager, Wimpole Estate. We plan to visit the churchyard, the garden and the lake.

Park at 11 a.m. in the large, well-signposted public car park. I suggest that we congregate by the entrance to the footpath leading to the entry kiosk. We will then walk to the kiosk, where we will present ourselves as a group about 11.10 a.m. From there we will explore habitats in the churchyard and Wimpole Park.
